Subject: Re: Article Telling The Ship John Scarborough Came To America ON.

Hi John,

You are amazing. Most of all a great researcher. You would ACE a degree in Historical Research. Thank you for the article on Scarborough's ship information. It came through large again but what I did was to print what I could get and copied the rest down by hand. Thank you again.

By the way, I got two dates on the Reunion in Sept. The 17th on Saturday and the 18th on Sunday. Do you have the information...time date, place, etc.
Four of Phx people are going to the Reunion....Mabel, Paula, Richard, and me. My brother in Indiana who lives in St. Mary of the Woods, Ind. which is on the west side of Terre Haute, In, plans to attend the Reunion with his wife and some others in the area. I assume that the Robertsons have been informed about the Reunion!!!. Anyway, we are looking forward to the event.
Paula will be coming from Florida on the 15th; Mabel and Richard maybe the same date. I plan to arrive early and maybe drive to DElaware to do a bit of research on the Carter, Norris and Reed family. I'm not sure of that trip to DE because I don't want to drive there alone. I thought maybe I'd get a cousin to go with me after I get to Indiana.

If not, meeting relatives of Taylor and Martha will be just great.

Have the Weddells decided whether or not they will be attending? I hope so. It was so nice to meet all of you on the last trip.
Mabel is feeling better and is now checking out the trip reservations, place to stay, etc. Theresa is in Illinois presently; I doubt if she will go with us. She is visiting her daughter who is not interested in relatives. Her son Larry and his wife , however, do enjoy the reunions. They were there the last time.

I got the pictures in a packet, box, ready to go. Just need to get the brown paper to wrap it in . If there are other pictures you would like to have, let me know. I have more of the Adams siblings (Mason's children).
I didn't think you'd be interested in small children so I put together pictures of people in older years...in some cases 20 and over.
I look forward to seeing you both in September. Please let us know the accurate time and place of the Reunion.
your cuz
Janette

Hi John
Got your info on the Reunion. Beverly and Roy Robertson
want to know about accommodations near the area where
the Reunion will be held. Do you have their e-mail address? Have the Weddels changed their my mind
about coming? Hope they will be there also.
There may be at least 20 or more of Mason Adams'
descendants at the Reunion. I'm trying to get the info
out to my family members. My brother Floyd will let
his family in Dayton know about the e vent.
Right now Floyd and his eldest son is in California on a job.
They will be back near the end of this month.
Some of the info on the Adams is still coming through
too large to make a print. I'd love to have a copy of the
original writings of the marriage of Simpson Adams and any
others.
I got the brown paper today for wrapping the info and pictures. will get it ready to go tomorrow.
I'm sending you

Subject: Re: Pictures

John and Mary,

I am so embarrassed-sorry-don't know what to say. About
the tail light on your van. When I saw you and Paula out in your driveway, I thought your were talking about the light.
I forgot all about it till after we got home. How careless of me. Later when I thought back about the accident, I remembered and asked her if she got a quote from you for the cost of fixing the light. Seems she forgot also.
You loaned us the car and it should have been returned the way we got it. I'm so sorry it was not taken care of by now.
Please, let me know how much it cost to fix it. I know you'll most likely say "forget it", but there are two reasons
why we should pay for it. One, you and Mary were very
gracious to loan the Van; two, a "lesson is a lesson" There is no way we should ignore the fact that it happened
when we had the Van. You loaned it to both of us, so I'm
equally responsible. Please, tell me what it cost to fix
the tail light. If you don't I'll send some money and it will not be a check because you'd tear it up.. It will be a money order.
Of course. it was an accident. When the warning sound
came on, Paula thought it was a large tree next to the
driveway. Then we heard the crash. It sounded like
terrible damage was done to both vehicles. Fortunately,
only the tail light, and not the fender on either car. The other vehicle was an older truck parked in an unseemly place. Roy said he asked him to park in his driveway
instead to avoid an accident. !!!!!!
Anyway, I feel very guilty about not getting back to you
sooner about this. I just thought it was ....regardless, I just wanted to be honest with you and not let it go. I will take care of it because it's the principle of the matter that couints. Please see it my way.
You both are precious people and I don't want to hurt you in anyway; nor do I want to lose you as a friend/cousin.
I enjoy my visit with you and Mary more than the rest of the time elsewhere. Your house is so like home week...of course with you two in it. Thank you so much for all you did for us.

Love to you both,
Janette

Gees! I can't even send a simple card I saw. I thought of you and Mary, and thought it was a good way to let you know I am thinking of you even thou I am running like crazy these days.
Janette and I decided to have our kitchens remodeled. Certainly NOT because we are great cooks or even like to cook. Mostly, due to my sniffer, (my husband used to say my mother must have been frighten by a hound dog the way I can smell things others never smell.) I kept smelling something in my kitchen and suspected mold. Sure enough. Janette had it more than I did. Anyway , cabinets and appliances, including my sink, have all been taken out. I am washing dishes in the bathroom sink and cooking in microwave and toaster oven in the garage. Probably for two weeks more.
This is very BUSY clowning time, which I am glad for. I work Sat. and Sundays every week and cram on Sunday afternoon to get ready for the Monday art class I teach. Thru the week, I am trying to get this house pulled together with other stuff being done to it, practice piano which is very time consuming, and spend much time on phone with business calls.
Keep thinking and wondering how Mary's Ireland trip went. I can only imagine what fun she had.
Did you get the tail light fixed? I was so embarrassed that I left there with out telling you. When I thought about it, it was after everyone had gone to bed, and forgot next day. When I got on the plane, I thought about it again. Would never intentionally do that to you. No excuses. I did it and I am sorry. I was concentrating on that big tree, and figured the beeping was that. That old truck that guy across the street parked right at the end of my cousin's driveway on his side of the road. But the street was real narrow. Oh well, hope all is fixed by now.
I 'm sorry. I love you.

I have a clown gig tomorrow that I am still not sure what it is they want me to do. So I will just show up and hope I can fulfill what it is they want.
One thing, it is a healthy eating expo for kids. So I am taking a can of chocolates with me. I will tell them I am going to have some healthy food----some chocolate! When I open the can, those wired snakes come flying out. Also have a coke bottle with pop in it. (Not real) When they hopefully say, no, don't drink that, I will have them disappear it. Thru magic, of course. haha.
Got to go to bed. So tired.
Take care. Love to you both.
Paula

Sounds like Mary is having a great time in Ireland. It's a wonderful place to visit. Is she looking things up while there.
Will send you a money order for the light.

Hi John and Mary,
This has been one busy clown season. About to wind down by end of May. I am so glad. So tired. I also teach an art class on Mondays now. And I still take piano lessons. Kind of hard to teach old dogs tricks, as the saying goes. But I am determined to learn. I have two neighbors who are my #1 fans. They love to listen to me, mistakes and all, I guess.
Janette and I bought new computers at the same time and the same ones. A piece of crap. Excuse my language. Does not have enough memory for me and is not fast enough. As soon as I can get around to it, I entend to buy a new one. and this time, I entend to have someone who truly knows what they are talking about go with me. This guy recommended this to us. I had my doubts but bought it anyway. Should have followed my first instincts.
We are coming back to the reunions Sept. 12, and leaving to come back home Sept. 15 or 16. Forget. We want to rent a car. Is there a chance you would know anything about a car rental place other than at the airport? I hate dealing with them. I have had trouble for several years now with them charging me more after I get home. NO one is ever there when I check the car in. I made our reservation to go back at about 5pm on a Tuesday so I can check the car in while it is day light, and hopefully someone is there.
We'd sure love to go out to dinner with you and Mary and your friends again. That was a lot of fun.
You almost got to come to Phoenix!!! That would have been so neat. If and when you can, you have a place to stay at my house, or Janettes. We both have a guest room. Although my is not ready yet. Has a bed, etc. But I need to decorate it. Hopefully, my daughter will get to it while I am at the fair in July and part of Aug. Mid Aug. I am going to FL to visit my best friend. Have known her for 48 years.
Well, take care, John. Look forward to seeing you and Mary.
Much love,
Paula

Subject : Re: Zack Taylor Adams Marriage App. #1

Hi John,

Yes I do have a copy of Eliza and Taylor's death certificate...thanks to you. I found some names of Lamb families but do not have any connections to others in our families.

By the way, have you ever found any info on the ships etc. where the ancestors may have came into America..the immigrant? Have you done any research back East?

I was thinking that I might just take more time when I go to Indiana in September for the Reunion and go East to where I might get info . I don't have any classes until the end of Sept. I plan to rent a car, of course, and stop at Donna's house. It takes about 7 to 8 hours to get to the East Coast and I can handle that. Paula will be in Florida so she won't be in Indiana until the 15th. I have off from teaching starting this week.

Will be sending you a packet this week with lots of pictures. Are you interested in notes that I put in my records about the Adams family? I ask my order sisters about some of family members they remember when we first came from Philadelphia in 1940. My father grew up in Wilmington, Delaware. My mother grew up on a farm in Ill. I remember Bob and Jack and Dude or Lillie as they called her, and Alice who could not talk or hear. I knew they were cousins to my Mother but never knew how until I got into genealogy. Bob had an ulcer and my mother was always fixing something to help his pain. I remember they worked on farms and always wore coveralls. None of Taylor's children married except Lillie (Dude) She married Amos Snow who was the husband of my Aunt Florence. She died in 1942 from cancer. Young and pretty. was dainty and very particular about herself and her children and house. I believe he was a flirt. Ha Anyway, I look forward to seeing two again. We had so much fun at the last reunion...and afterwards. Mabel wants to go again but I don't think because of her health she should attempt to go. It would limit my activities because I'd want to watch over her. She fell in front of her house lately , and on her chin; had a bad bruise and turned black and blue on her face. Blood all over the sidewalk and carpet, and on her. She is a bleeder and on coumidine (sp)? She seems to have a good memory about the past and can find her way around the city. But her heath is not good.

Where do you plan to go on your next research trip. If it is in Indiana, maybe I can plan on staying longer and follow you two around. Ha. I find doing this kind of research "the berries." Great. exciting. etc. So I want to help with research on Mother's sise of the family also. The Norris family is on Minnie Adams side. I met Audry in KY who is an Elliston. That's ones

that married into Norris family; Minnie's grandmother.
   I'm so glad you found Mason's mother.
Till later.

cuz
Janette

Hi John,

I got your marriage/bond info on Simpson. I just love you. I get so excited when I get info on our ancestors. Thank you so much. I'll see that Paula gets a copy. She has been in California for a month on a job.
I could not print out the whole copy of the documents on Taylor and Simpson because they came thru too large. Only got a half of the page. Wonder why that is??

The last name of Eliza Ann was written so I could not read the writing. ????

Thank you again.

I have been re organizing my two older sisters photo albums; many were just put in a box. Pictures are too
important to just put in a box. Anyway, as I went thru them I copied ones that I wanted and I will make up a batch for you and send it on. I never remember which one Ivied sent to you so you may get repeats.
I' back in the race again. My leg is out of the cast and I'm on a schedule of one a month for drawing blood for checking my blood clot. At least I can drive now. Drove me nuts bot being able to get out on my own. Ha.
I found a new place to do some research and will be checking it out. Right now it is so hot here I don't venture out too much, except when I have to.
Till later,
give my love to your wife

John & Mary,
Janette and I are spending the night at a motel there in your city. Would you and Mary like to have dinner with us? You better say yes. We are at our brother's house right now, but will be leaving about 2 or 3. Can you email us back and give us your tel. # so we can call you when we are ready. We purposely chose Avon to stay overnight so we could see you two again. We will be at the Super 8.
Love you.

I'd love a copy of the Penn document. It's so exciting getting any bit of info on any of the families.

Will you be coming to AZ any time in the future. I'd love to see you two again. It was so pleasant meeting you two and then getting to see you again in Indiana. That trip to Indiana when we all got together with you folks and the Robertsons was great. It's in my memory book!
I've such a soft spot for my relatives. And a great interest in my ancestors. Won't have any descendants of my own since my son is gone. but we will have some from the other siblings.
Hope to hear from you again soon.

Hi John,

Nice to talk to you again. Have to forgive Janette and I about getting back with you. Selling our houses, and then buying, and then the MOVE!!!!!!! It has not been a pretty picture for the past few months. And to make matters worse, I did not think it would bother me to move from the last house my Husband and I shared together. Well it did, obviously. I have not been myself since I got back from CA. Haven't wanted to do anything. Haven't even fixed my house up yet. It is a brand new house, but I could care less right now.

Sooooo----needless to say, genealogy has been the last thing on my mind. Boy, when you spend most of your life with one person, and they go away, the world looks like a different place. Sure a lonely one. But I am trying to change that by getting involved outside of my home---to get around a lot of people. Clowning is NOT answering my needs at this time. I need to be around adults. So that is the trip I am on right now.

Anyway, here is my address. P.O. Box 11413 Glendale, AZ 85318

And here is Wanda's email as I have it listed last. Better put something in subject line that you know Janette. And don't get offended if she doesn't answer right away. They have a farm and she does a lot of the work on that farm. She hardly writes to us. Sometimes doesn't even answer. She told Janette she just doesn't have time to do genealogy right now and has gotten away from it. But if you have something that might spark her interest, she may write you back sooner. I have no idea how she will respond. She is very independent, busy, and family oriented. But one heck of a great person.

Hope you have a nice trip back home.
Paula

Subject: questions

Hi John,

Haven't heard from you lately. Seems lonely when I come on the internet cause you're not there.
Hey I have some questions and I thought you'd be the one that could answer them.
1. Did you let Karen know what Pearl said about Mason Adams NOT being adopted? She still has other inclinations about where he came from. But then she gets info from her grandmother's bible. Paula thought that also.
I believe it is because the Adams sister, including my mother, from legend if not anything else, believed that he was adopted. Now because the Priest sisters did not speak of Mason's birth , they must have not wanted people to know his mother was not married. So he may not have talked about his family to his children. It seems Wanda's family felt the same way because they did not know the "whole story." And if Pearl did not talk about it years ago also, that may be why. Priest girls came to the Adams Reunion in 1954 or 1968, maybe more. I have a record of one of the Reunion where everyone that came signed their names. They always took attendance. Four of the Priest girls were listed on the list I have. Karen does a lot of research and is documenting it; however, her grandmother's bible is a fact--- in their family. My mother never talked about it. 2.
2 Any chance I could have Pearl's telephone number or e-mail? I'd love to talk to her..she knows so much about the way things were in her young years.
3. Where did Jefferson Adams die? Indianola, Ill or INd?
I have two dates!!!
4. Did Jefferson Adams spend time in the Jeffersonville Prison? I understand that info came from Pearl.

5. Have you found anything on Simpson Adams, son of Taylor?
6 I wonder if you saw the 1930 Census where it told if Taylor's wife and children could read or write. Most could not. The Census listed Lillian (or Dude as we knew her) as not being able to read or write. That is not true. She went to a school called Sayder School located NE of Indianola on the Catlin Road. I have a picture of her and her classmates & teacher.standing in front of the school .which is proof that she could read & write.
did you have the info that 3 of Taylor's family died to TB?
8. Did you find information that documents that William and Mary Adams were Simpson's parents?
There was a question as to the death dates of Mason and Minnie Adams. I have an obit on Mason and his death corticated. He died Feb. 1943 Minnnie (obit..no death cert yet) died December 24, 1946. I remember that very clearly; my mother was very sad that Christmas. So our holiday was very low key. We were living in Momence, IL at the time.
If you don't have his death cert let me know. I'll send you a copy. Do you have all the pictures you want of Mason Adams' families? If not, list what you need. We have a lot of pictures of the Adams girls and group pictures of many of their individual families. I just can't remember what I have sent out to different people, so just request what you want. I have a few on Taylor's family. At the Reunion I got a fair picture of Eliza , Taylor's wife. Got couple good ones of Sari , Dude and Alice..some of Bob, Lester, Jack.
Till later
Love

Hi John,
Hey! That's great information!! Scarborough house on the National Register. I wish I could travel around like you do to do research. It's such a great day when one finds family information. There is so much to look for; a lot of unfinished family histories.
Tell me all about your trip. Was there a town in Penn named after the Scarborough's?
Till later

I have the address and name of it. The owner wants info . on John Sarborough in exchange for info. on the house today. An Audibon Bird Sanctuary is also on part of the farm. We traded info. with them too. I will copy and send pictures when I get them back. The exterior of the house is stone. The house is on the " National Register " for historic places.

Hi John,
I told Paula you would be coming to AZ. We are looking forward to your visit. I'll have a bunch of pictures made up for you by then. You can check out my info and see if there is any other you need.
Wanda is a very sweet gal; you two will really like her.
She lives in the country on a nice platt.
I have all her info. We have been corresponding for a couple of years. She calls me "Mom". Paula has a separate room and bath from the house and will most likely like to have
you stay there when you get here. I have only one bedroom however, I can let you have the master bedroom and I'll sleep in my art room.
Looking forward to seeing you.

Hi John

I"m so glad I got through to you. Sure was having problems getting on to the internet so I could write to you and other family members.
I've been so busy getting moved into my new home and getting things repaired. Paula bought a home that was new and had to do no fixins, but does have to redecorate and landscape her yard. I bought a home that was older but needed some repairs. I like the house so well that I don't mind the string of people coming in to repair things. It is about done anyway.
I'm enjoying the disk you game me and checking to see what I don't have on my computer and the books. I really enjoy doing family research and it is great to meet a family member like yourself that is so knowledgeable in genealogy Thank you so much for giving me the disk. If they are just on loan, I'll be glad to mail then back later. I have to check out two computers...paula is busy with her business and she like scrape-booking her pictures...as you can see by the beautiful books she created and brought to the reunion.
Which lady are you talking about? The one in Ill? Wanda?
I'll write to her and give her your email if that is ok with you.
Her family stems from Taylor Adams. She is a great gal.
I got pictures from Bev and Roy Robertson and some of them are pictures from the early 1900's, of the Robertson family. Interested in any of them?
What pictures would you like of the other Adams?
My folks took lots of pictures of her family and theirs.
It was so much fun with you fellas and your wives. In fact that was the spark of the Reunion!! just to have you there and meet you.
By the way, you are invited to come to AZ anytime and stay us our way. Paula bought a home that has a separate 'guest house' with bath, TV, etc for people who come this way. My brother Floyd and his wife are here presently.
He performed several times this week (and was nervous)
They plan to leave Monday morning for Indiana. They were very pleased with the privacy they had in the 'guest house's Separate door and key and all. Wow. No charge..so come on over!
Write soon
love
Janette

Hi John,

Sorry I haven't got back to you sooner. So many things going on here that has bogged me down. I'm susposed to be doing an art show in January and I didn't have enough paintings to fill the wall the company is providing for me (where I hang my art). I've been so stressed out about this that I wanted to cancel the show. However, the man that bought my collection of historical Arizona building drawings wants me to have the show so it will help him sell the prints he makes from my original drawings. Stress stress stress.
That on top of going to a chiropractor 5 times a week and teaching 5 classes, etc. Then I ran out of ink on both the computer and the copy machinge. Now I have the ink for the copy machine so I'm making some good copies for you.
I promised you so don't worry, I'm good on my promises.
I'll send you the disk that Roy Robertson sent me also as soon as I make a copy of each picture. There are over a hundred pictures on that disk, mostly his family. What I will do is send a list of the pictures and who the people are .
A couple of them are my parents when they were younger.
I can now print out info on the Adams in the meantime.
My brother Floyd took a fall while in California on a job. He hurt his neck seriously and may not be able to sing or talk very well. The doctor is not sure yet.
We four sisters are sharing holiday time together on Christmas day. I look forward to that since I don't have a family of my own anymore. (my son and husband).
I hope you have a most glorious Christmas birthday.
It got down to 35 here and then my furnace went out. Of course the Warranty Service gave me a hard time but I persisted and made them fix it. Women alone do not always get good service on anything. Especially cars. Once I had the driver at work pretend he was my husband and let him deal with one of the auto mechanics. Everything went fine. Ha. This is still a man's world. When I come back in my next livetime, I'm going to fix that. Ha.
Happy Holiday to the both of you may you have the best ever this year. I'll send you a print of one of my paintings I made as a greeting card.
Love
Janette

Subject: Sun June 6- Adams / Scarbrough get-together

Hello to everyone from Donna Kamp and her daughter Karen Everdon (grd-dau and gr-grand-dau of Mason Adams)

Hope everyone is doing OK, and for the Midwest relatives, that no one suffered any storm / tornado damage over the Memorial Day weekend. Here in Argos in northern Indiana, we had lots of rain and lots of limbs and leaves down, but little permanent damage.

So, we are getting geared up and excited about the Reed reunion in Hebron, IN on Sat. June 5th, followed by the Adams / Scarbrough get-together the following day on Sunday June 6th at the Kamp house in Argos, IN in Marshall County. We are REALLY excited to finally meet all of our new "cuz'ns" and am hoping that many of you can make the trip north this upcoming weekend.

Hopefully, you all have received the flyer for the Adams / Scarbrough get-together with the map to the Kamp house on the back. Attached to this e-mail are some photos of the Rawland "Jock" and Donna Kamp house where the Adams / Scarbrough get-together will take place on Sunday June 6, 2004.

The Kamp house at 305 N. Michigan St. is about 3 blocks north of the one and only stoplight in the center of the town of Argos (population 1300). State Highway 10 runs east and west through the middle of Argos, with the stoplight at the intersection of Hwy 10 and Old Hwy 31(Old Hwy 31is called Michigan St. and is the main street of Argos). Lake City Bank is on the NW corner of the intersection, with a boarded up gas station on the SE corner and Kenny's Barber Shop on the SW corner.

The Kamp house is the yellow house with white shutters is in the middle of 3 houses in 300 block on the east side of N. Michigan St, with cross street to the south of Church St. and cross street to the north of Plum St. There will be balloons tied to trees in both the front and back of the house. You can park in the front, or you can come in the back through the alley which is accessed from either Church St. or Plum St.. You also may park along the sides of either Church St. and Plum St. (Church St is the south closest cross st, and Plum St is the north closest cross street- the blocks are VERY small in Argos so both streets are only 1 house away from the Kamp house). The get-together will actually be in the garage at the back (you can see the garage in two of the attached photos).

If you are coming from the west (Culver is the nearest town to the west of Argos) and using Hwy 10, as you cross Hwy 31, which is a 4 lane divided highway (also called Bypass 31- because it "bypassed" Argos since it used to go through the center of Argos, hence need for a stoplight at the intersection of 31 and Hwy 10), you will see a BP gas station, a McDonald's, a car wash, and a Subway at Hwy 10 and US. 31. Continue across Hwy 31if coming from the west (or if coming from the north using US Hwy 31, you will turn east (left) on to Hwy 10 (there is a flashing yellow light there at that intersection), or if coming fromt he south on Hwy 31, you would turn east (right) on to Hwy 10.

Once past the McDonald's area, continue east about 1 mile on Hwy 10 as it twists in an S curve. Once out of the S curve part, you will soon see the Marshall County Fairgrounds of your right (south side of street). The stoplight where you need to turn is now about 2 blocks away. You will see the post office on your left (north side of street) then an asphalted parking lot, then the back and drive-up window of the Lake City Bank. Turn back north (go left) at the stoplight. In the 1st block on Michigan St. after you turn, on your left (west side of the street), you will see a big, beautiful white house which is the Grossman funeral home. Continue north another 2 blocks, and the Kamp house is on the opposite side of the street (east side) at 305 N. Michigan.

As you approach the correct block, you will see a yellow school crossing sign on your right (east side) in the block where the Kamp house is located (you can see that sign in one of the attached photos). That sign is in front of a large white building that used to be a church (the cross street that borders the "house" on the south side, which that runs E & W, is aptly called Church St) but is now used as a home, and the Kamp house is the house next door (north) to that white building. There will be balloons tied to trees in both the front and back of the Kamp house to alert you to the right house. If coming north from the "downtown" area of Argos and you drive past a white school crossing guard shack with a red fire hydrant in front of it (located at intersection of Plum St and N. Michigan), then you have just driven by the Kamp house, which is caddy-cornered from that school crossing shack on the other side of the street. If you are coming into Argos from the north (from Old hwy 31 or from 16th Rd), the Kamp house is about 3 blocks south from the Methodist Church on your right (west side of st). Continue south, and you will see that school crossing shack at the corner of Plum St & N. Michigan, along with a green street sign saying Argos Community Schools with an arrow pointing to your right- west side of street). There is the Argos Wesleyan Church (at the intersection of Plum & N. Michigan) located right across from the white school guard crossing shack. The Kamp house is the 2nd house south of that Wesleyan Church.

Looking forward to seeing as many of you as can come. Please remember to bring any documents or other items of interest for Adams / Scarbrough family genealogy purposes, bring a dessert or fruit to share (all other food & drink will be provided), and a couple of lawn chairs if you have room in your vehicles for them. Also, if you haven't already done so, please let me know about how many of your family will be coming on Sunday.

Again, Sunday June 6, 2004 at the Kamp house:

Hi John - Mar 3-04

So nice to hear from you again. Gladly I send you one of the flyers. I am excited to meet you & Mary! Hope & pray all goes well so you can be at the reunion. We are trying to get some of the other cousins (my 1st cousins) there also. (The Robertsons - Ryans - Adams) If there is not enough time for all of us to talk & share as much as we want, Donna Ryan wants everyone to come to her house on Sunday to share even more. She lives in Argos, IN, though. She has room for your RV's. My sister doesn't want to go back

over there again due to the mileage. We will be in a rental, AND we only have ONE WEEK to get around to see everyone. There are some Adams that live in Georgetown I would love for you to meet - however - it will be one thing to get them off their farm! This one young gal - about 40 maybe, has 6 or 7 aunts that are neat - but upset with her for tracing family tree. wonder why?? haha Oh well - I would love to go to Donna's next day - but we are just going to have one car to cut down on expense & "gas". We come back to Phx. June 8th - Tuesday from Indpl.

We are a crazy bunch - we put on skits - so be prepared! We learned from our crazy mother & aunts on how to have cheap fun.

2/23/2004

3/ Excuse my fancy paper!

So if you want to join us in the entertainment - we'd love to have you share. Bev Waddell says you & her husband are a couple of "cards" when you get together. Sounds like you come from the same stock! Humor is our middle name.

I have made my reservations for our flight back ~~on the~~ to In on June 1st. My brother lives in Terre Haute. We hope to spend the last night at his house. He is the closest to Airport - & I do miss him so much. He's so funny & yet appears so serious. Real nice person - easy to like.

Drive carefully wherever you go, John. Looking forward to the reunion.

Paula Francis

John,

I have been very busy working on other lines. I have not worked on my SCARBOROUGH line for a while. I thank you for the offer, but perhaps later.

I am attaching what I have on my earliest SCARBOROUGH down to your Robert. Let me know if you need more.

Notes

THE STORY OF MASON ADAMS-as we know it from documents, family associatins/events, and famly recollections.

Mason, the first child of Mary Anne Scarborough and Simpson Adams, (see history on Simpson and Mary Adams). was born May 4, 1866 in Garrad Co, Kentucky. (1870, 1880, 1900 Census. Marriage Certificate claims he was 22 years of age in 1890-signed by Mason Addams-from Lincoln Co.,KY. however no other document gives that age). According to the birth place of his siblings, as a child he lived in Jackson County,Indiana and Garaard Co. KY.

He applied for a marriage bond, signed by him and future wife's (Willie Minerva Norris) grandfathr, W. M. Elliston, February 28, 1990 and a marriage license the same day. "The Rites of Matrimony were legally solemized" in in Linclon, Co. Ky March 1, 1890 in the home of W. M. Elliston. (Marriage license identifies his wife as Willie Miller Norris, however, family bibles, etc. all ' write' her as Willie Minerva. (Marriage source for Mason and Minnie "Kentuckk Marriages; 1600-1800".) Willie was born (not proven yet) in Cumberland Gap, KY. The Norris famiy was from KY,

Mason and Willie had 14 children; eight lived to marry and have families of their own. (one being the mother of the writer, Janette Reed Clemens.) All their children, two boys and six girls, were born in either Illinois or Kentucky.(Family bible) Two the 14 children died due to whooping cough, three died at birth. The County of Allen City of Iola, Kansas, Highland Cemetery, records Mason purchased two cemetery lots for #2.50 each. October 8, 19098 Lot #36 , space # 2 (Regoster pf Deeds/ Second lot #23 purchased Dec. 21, 1909 block #213, space #7." (No info why children buried in Kansas when the family was living in Illinois at the time. (Daughter Ethel was born in Fisher, Ill, 1899 amd Florence was born Ogden, Ill. 1901.) Mason and Minnie's children were, (all are deceased before this writing) William (died at birth) , Bertha , Jaames , Mary Magaeline, (died age 10), Ethel, George, (died at birth), Florence. Pearl, Clara, Adeline,(died age 3), Myrtle died 6 weeks after Adeline, Dorothy, Robert, and Albert (died at birth). Florence was only 42 when she died due to cancer. It is obvious the family suffered a lot of grief.

According to Census and family stories, Mason was a farmer all his life, usually working as a laboror or working the farm for the owner. The family moved from farm to farm, County to County in Indiana or Illinois, depending upon where there was work. He was a good farmer and a hard worker. Mason sired 5 boys, with only two surving, thus help on the farms through years included some of his girls. One photograph passed down through the descendants, show daughter Pearl driving a plow pulled by FOUR HORSES!!! (That picture, (like most other old family photos, is a treasure.) Pearl Marie Adam was a hard worl all her life and her father depended upon her in the fields. If he got out of hand in anyway during those years, Pearl was the o her mother sent to control him. (Clara Margaret Adam's recollections)

The 1900 Census list Mason has head of House, birth May 1866, age 34m years m. was 10, state of birth as KY, father's birthplace, KY mother's birthplace as KY; his occupation as laborer, months unemmployed ws zero; can read, yes, can write? yes;, speak English, yes, farm Home column listed as H. Minnie the Wife born Sept 1872, in KY age 27, total chhildren ws six, four living; Minnie could read and write? yes; son James b. Sept 1894 age 5, b. KY daugh Mary b. Oct 1806 age 3, KY daug. Ethel b. Apr 1899 one b in IL. Bertha who was age 7 at the time was not listed???/ The URl on the US Census was recorded June 5, 1900 Federal Ce for Vermilion County, Ill, Sidell Township. Evidently the family must have moved from Fisher, Ill to Sidel at that time, then moved t Ogden, Ill where Florence was born.

Mason had a pleasant personality and loved to sing and celebrate with his family. (Clara Margaret Adams recollections). He provided for the family the best he could, however, they did see some good times' despite hard times, there was a lot of love shown between parents, children and siblings.

Taylor Adams, brother to Mason, lived in Vermillion Co. Ill and other area of Ill. Clara Margaret often spoke of Bob and Jack children of Taylor Adams, as being her cousins. We never knew until recently (2004) how they were related. Clara stated that she was with them at family gatherings through the years. Bob stayed on Clara and Herman's property in a mobile home that was on tl property, , in his later years.
He often sufferred from an ulcer and Clara would fix him warm milk drink to ease his pain.

This writer remembers when a family gathering for the Adams was held at the home of Taylor Adam's family (he was deceased at the time 1941) A very large pot was placed over a fire, in he yard, and Adams family members added different vegetabl to the large pot. Located somewhere near Ridgefarm, Ill, the home was an old unpainted house nestled in among "anchient trees' sc seemed
with a shed attached or near by. The smell of food was tremendous and there were people (relatives) everywhere. Having just moved from PA a few months before, this writer, age 10 at the time, was fascinated that all those people were somehow related to ı In Penn. we only knew a grandmother and two uncles with only one child each. A timid child, I was in awe that somehow my mot all those relatives. As the years rolled by, I've come to know the Adams family and their distant relatives as special people, more

special than on my Father's side (although they were special in their own way.) Adams family were warm and friendly.

First Reunion

OUR REUNION

ON SEPT. FOURTH NINETEEN FOURTY NINE
WE ALL GOT TOGETHER TO HAVE A GOOD TIME,
THE DAY DAWNED BRIGHT AND CHEERRY
AND WE ALL PLANNED TO BE GAY AND MERRY.

BUT PEARL GOT SICK AND ALMOST UPSET THE APPLE
CART,
BUT SHE SOON WAS UP TO DO HER PART,
GARY WAS THERE JUST BEAMING WITH JOY
NOW JUST WHAT WOULD WE DO WITHOUT THAT OLD BOY?

AND BERTHA WAS THERE ALL FAT AND CHUBBY
AND OF COURSE BROUGHT ALONG HER CUTE LITTLE HUBBY
THEN ROBERT CAME ALONG ALL FULL OF PRIDE,
FOR HE HAD HIS WHOLE FAMILY WITH HIM, HIS ONE
LITTLE CLYDE.

AND THERE WAS DOT, I CAN'T FIND WORDS TO DESCRIBE
BUT SHE HAD WALT RIGHT BY HER SIDE,
THEN WE HEARD A BIG NOISE AND LOOKED DOWN THE
ROAD
THERE CAME THE JEEP WITH ETHEL AND HER LOAD.

I WAS THERE TOO, WITH ALL THE FOOD I COULD FIND
FOR WITH ALL MY BUNCH, I HAVE QUITE A LINE,
WE ALL BROUGHT OUR GANG AND A LOT OF RELATIVES
TOO
AND WHEN WE ALL GOT THERE WE HAD QUITE A FEW,

THE FOOD WE HAD WAS A SIGHT TO BEHOLD
AND WHEN WE GOT IT ALL READY IT LOOKED LIKE GOLD,
THERE WAS CAKES AND PIES, AND VITALS GALORE
AND WHEN THE DINNER WAS OVER, THERE WASN'T ANY
ONE THAT COULD HOLLER FOR MORE.

THE MEETING WE HAD WAS QUITE A SUCCESS
AND THE COMMITTEE WE PICKED WAS ONE OF THE BEST,
OUR PROGRAM STARTED OUT AS NEAT AS A FLOWER
BUT IT WAS SOON BROKEN UP BY A GREAT BIG SHOWER.

1950

SO WE GATHERED UP OUR THINGS
AND DOWN THE ROAD WE WENT,
AND WOUND UP IN GAR'YS GARAGE
TO FINISH THIS BIG EVENT.

SO HERE WE ARE AGAIN THIS YEAR
ALL FULL OF MEMORIES , OH SO DEAR,
MEMORIES OF DEAR OLD, MOTHER AND DAD
OF ALL THE THINGS WE HAVE DONE AND THE JOY'S
WE HAVE HAD.

MEMORIES OF FLORENCE,,SO SWEET AND DEAR
IS STILL IN OUR HEARTS AS IF SHE WAS RIGHT HERE,
BUT GOD CALLED THEM AWAY, AND IT BROKE OUR HEARTS
BUT WE WERE ALL LEFT HERE TO DO OUR PART.

SO LET US KEEP ON MAKING OUR REUNION A GRAND
SUCCESS
AND MAY EACH ONE THAT WE HAVE BE THE BEST,
AND WHEN OUR TIME COMES HERE ON EARTH TO PART,
WE'LL MEET MOTHER AND DAD UP THERE AND THEY'LL
SAY YOU'VE DONE YOUR PART.

SO IF WE HAVE ANY LITTLE GRUDGES DOWN IN OUR HEART
LET US NOT KEEP THEM THERE, THAT IS'NT THE WAY TO
DO OUR PART,
THEN WHEN THESE LITTLE CHILDREN GROW TO FINE
WOMEN AND MEN
THEY CAN LOOK BACK AND SEE WHAT JOY WE'VE BEEN.

AND WHEN WE MEET THEM UP THERE, WITH JOY IN OUR
HEART
WE TOO CAN SAY " YOU'VE DONE YOUR PART",
SO COME ON BERTHA, ETHEL, PEARL, GARY, ROBERT,
AND DOT,
WE ARE ALL THE LEADERS, SO WE'RE ON THE SPOT,
NOW IT'S UP TO US TO SEE THIS THRU
SO COME ON SISTERS AND BROTHERS, WE HAVE WORK TO
DO.

When we get more organized, we are sending our family tree to the Mormon Library in Salt Lake City. I mailed away for this certificate in KY many years ago.

Ok I copied everyone on this so I hope one of you can get these to print with no problems. Here are the papers that were found in my great grandmother Pearl Adams's family bible. She was a daughter of Mason & Willie "Minnie" Adams (Norris).

If you just open and print they should print cleare than picture. I know they do on my pc. I have not edited them or anything. Few pencil scratches that I made on the bottom of a couple. Tried to erase it but no such luck.

Not sure who the Children listed on scan 4 are? Any Ideas?

Thanks for all of the great info on my great great grandfather.

Possible father of Simpson (per Bev Weddell) could be -*Jno. Simpson Adams

Simpson & Mary Ann were prob never mar, but she used mar date of 10-15-1867 in Lancaster, KY, Garrard Co.
Simpson was in Civil War, corporal in Co B, 12th Regiment, Kentucky Volunteers, enlisted 10-21-1861, discharged due to disability 10-28-1862

Mary Ann Scarborough

(in 1920, liv in household of widowed dau Lizzie Bryant in Garrard Co, KY)

b. 1811-1817, in Pulaski Co, KY
d. Jan. 19 or 20, 1885, Jackson Co, IN (died after falling off of a train & a weed went into right eye into his brain- found by son Mason Adams)
bur- Lanning Spur Cem, Jackson Co, IN

Simpson and Mary Ann had 8 children, and Simpson also had 9 children with his wife Elizabeth Cash Adams. It is possible that Mason Adams was NOT the son of Simpson and Mary Ann, but is a half-brother to Mary Ann Scarborough. Mary Ann's father Jacob Scarborough may have had 2nd marriage in Garrard Co, KY on 7-7-1865 to Rachel Pointer (maiden name was Hall- she widow of Squire Pointer). Since they were married in July 1865, it is possible that Mason could be their son. However, this is speculation and has NOT been investigated yet.

13-Year-Old Girl Hit by Car; Driver Faces Two Charges

A young girl's trip to the grocery store for a bottle of pop ended in her serious injury at Michigan Boulevard and Porter Street yesterday at 4:45 p. m.

Linda Ryan, 13, 207 N. Porter St., daughter of Mr. and Mrs. Herman Janowski, is in Memorial Hospital, in poor condition, with severe internal injuries, and a fractured leg and pelvis.

She was struck by a car, police said, as she was running home from her trip to a supermarket.

Girl Thrown 50 Feet

Officer Barry Nothstine said the girl was thrown more than 50 feet after she was hit by an eastbound car driven by Thomas Mills, 23, R. R. 1, Box 223.

Nothstine said eyewitnesses reported the girl was running across the street and had sufficient time to reach the other side "under normal circumstances."

The witnesses claimed Mills was travelling at a high rate of speed and seemed to lose control at the intersection. The car veered and struck Linda, throwing her onto the median strip, the witnesses said.

Rams Into Parked Car

Mills' car continued across two lanes to Jackson Street where it rammed into the rear of a parked car owned by Marilyn E. Price, R. R. 1, Box 184. The impact knocked the Price car 51 feet, Nothstine said.

Mills was charged with driving under the influence of liquor and reckless driving. His arraignment was continued in City Court today at the request of the prosecuting attorney for further investigation. He is free on $1,000 bond.

At Memorial Hospital's emergency room, a battle of time and life was being waged as blood was ordered for the young victim.

Blood in Short Supply

Her type, O-negative, was in short supply at the hospital and requests were sent to St. Anthony Hospital, the Red Cross and Indiana State Prison.

The response was overwhelming, according to hospital officials. Twenty prisoners donated blood and four donors responded from the Red Cross plea. All available blood, in that type, was sent from St. Anthony.

The girl was given more than 20 pints of blood during a period from 4:50 to 10 p. m.

The request brought response from St. Anthony Hospital, the Red Cross and 20 inmates at Indiana State Prison. The girl was given more than 20 pints of blood.

Deputy Coroner Donald Transki said death came after 2 a.m., from massive bleeding caused by a crushed pelvis and other internal injuries.

Thomas Mills, 23, R. R. 1, Box 223, was arrested and charged with reckless driving and driving under the influence of liquor at the scene of the tragedy, and his case was continued at the request of the prosecutor.

Chief LaPorte County deputy prosecutor C. T. Kitowski today said further investigation by his office, traffic Capt. Henry Urback and Transki will be conducted.

Police said Mills was eastbound on Michigan Boulevard, apparently at a high rate of speed, and lost control of the car at the intersection. The car struck Linda, who was crossing the street after a trip to a store. The girl was thrown more than 50 feet onto the median strip and the Mills car continued to the Jackson Street intersection and rammed the rear of a parked car.

Skarthi

The Scarboroughs then & now

Introduction

It is interesting to note that the name Scarborough was not the first name used of our line. It was Skarthi, from the Old Norse byname.

According to legend & early records, the Skarthi family left what is now Norway in 874 A.D. to sail to Iceland. They were reputed to be the first permanent settlers of this island. A part of this family left Iceland in 965 A.D. to settle in what is now known as Scarborough, England and from there to London, England.

William Scarborough was born about 1560. Most researchers claim Isaac Scarborough is the progenitor of our line. However, there is no proof of this claim, which is based on the story that John Scarborough born 1667 brought a chest to America which bore the initials I.S in brass nails on its lid and the fact that the same name Isaac is so commonly used in our line.

There are also said to be letters from John in Pennsylvania, History; soc., Archives which mention Isaac. It seems that John was used more than Isaac. Marilyn L. Winton, a Scarborough researcher, points out that J and I were formed the same way, in Old English. The proof that William and Agnes Farrar Scarborough are our ancestors, appeared in the Scarborough/Haworth newsletter in 1994 and in August, 1996. Records were examined by Marilyn L. Winton on microfilm in Bedfordshire, England, of Wolburn Parish; records 1558-1653. Microfilm record was # P18/1/1. One source that says William was the son of John Scarborough born about 1520. I am not sure if this information was on the microfilm records that were examined by Mrs. Winton.

*Information came from Kathryn R. Merris. William had two sons named William. One died early. Several families did this; naming another child the same name if one of them died early. William's name was spelled as "Skarborowe" in his will.

His childrens' names were spelled the same in baptism records. The proof that William is the progenitor of our line is from records examined in Bedfordshire, England of Woburn Parishrecords 1558 - 1653 by Marilyn L. Winton.

Microfilm records were: #P18/1/1. His will was probated 24 Sept. 1616.

Notes: William's name was spelled "Skarborowe" in his Will ,29th August of 1616. The words in the will were badly misspelled which was written by Peter King, probably some relation to William's daughter-in-law, Agnes King Scarborough. This is his will as translated by Marilyn L Winton from microfilm ASP/W 1616/86 at the Bedfordshire Records Office, County Hall, Bedfordshire, England.

WILLIAM SCARBORWE
Peter King writer and witnasse

It appears that administration of the will was given to WilliamHuckell (son-in-law, husband of the daughter Alice) due to the minority of Robert and William Scarborowe. (Robert was 18 and William 16, almost 17, in the year 1616.)

Note: the ii was used by the writer instead of the word two. The spelling and grammar skills of the writer Peter King, were not outstanding, but there was perhaps no one else available at short notice.

Why did our Scarboroughs come to America?

Toward the close of the seventeenth century, William Penn, and other members of the Society of Friends (Quakers) in England, were being persecuted because of their religion. Our line of Scarborough's may never have landed upon American land if it wasn't for this leader. They wanted to live in peace and freedom. Penn persuaded King Charles II to allow them to set up a colony in America. This colony was the state of Pennsylvania. Friends were also called Quakers, because they looked upon all fellowmen as equal in the sight of God. All persons were therefore "friends". They questioned the need for any minister; instead, they depended upon each man's conscience for direction

in manners and morals. As no one man was entitled to more respect than any other man, the Quakers refused to follow the custom of taking their hats off to anyone.
This even included the King and Governor.

John Scarborough the first was a Quaker and friend of Penn. Both came to America, probably on the ship "Welcome", a vessel owned by Penn that landed 8th November, 1682. He came to a place near Langhorne, in Bucks county, Pa., where he bought 250 acres from Penn, 3 July, 1682 for 5 pounds. The deed was acknowledged by William Penn and was recorded 2 Feb., 1690 in Doylestown, Pa. in book 2, Pg. 10. In England, John was a Blacksmith, Whitesmith and Coachmaker. John brought with him his son John Scarborough II, a lad of only fifteen years.

In 1684, William Penn and John the elder went back to England. John returned to fetch his wife Sarah, but she was not a Quaker and wanted nothing to do with America. Some say that she was afraid of the Ocean trip but whatever the reason, John chose to stay with her back in England and lived there until his death 21 August, 1706. He was buried in the Burnhill Fields burying grounds, London, England. He signed a Power of Attorney 15 Oct. 1696 to his son John the second. This document was written and signed in the presence of William Penn and William Penn II was one of the witnesses.

John,

I have a 1880 Jackson Co., IN Federal Census copy of the microfilm taken of the actual census book. You are correct about Mason being listed as Simpson's son. Mason is not listed on Simpson's military papers and neither are any of his children by his wife, Elizabeth.

Thanks John, I am so anxious to meet you, Mary and Bev and Harold Weddell. Sure hope you all will be able to make it to the reunion in May. They are narrowing it down to the exact weekend and will let us know very soon. The location is a big place and really nice. I have been telling other relatives about you all and they too are excited. Sure hope it works out you can come.

Hi John, Haven't had a chance to get on here for few days. I do not have a copy of Mason and Minnie's marriage certificate. The only thing I have I found in a book titled KY MARRIAGES 1600-1800's. Just has 1890 written over to right of page followed with Mar 1 Adams, Mason to Willie Miller (should be Minerva) Morris (should be Norris).
I don't have one on William McQueery and his bride either.
I would really appreciate it you would send me a copy.
Here is my address: 8330 W. Bluefield Av. Peoris, AZ 85382 Sorry, I forgot to take the underline off after name of the book. Duh!
Beverlyn really sent me a lot of information on Adams. I guess we are going to have to accept Mary Ann's last name was Scarsborough, (maiden that is). Guess nothing can be found on Alsup, whatever the spelling.
What do you need, John? Do you have Taylor Adams' info and all his kids, wife? I have a picture of Taylor. He was one of the sons of Simpson Adams the elder. Illigitimate, but as near as can be found, he is their father. I assume Beverlyn sent the same to you. I can give you all Mason Adam's kids and who they married. I can give mine. That I know well. Haha.

Subject: another cousin of Adams

Hi,

My name is Paula Francis, granddaughter to Mason Adams who was brother to Martha F. Adams. I do have a lot of information about Mason and his wife Willie Minerva Norris Adams. Not sure how far you want to branch out being as Mason was a brother to Martha. Would he be a great uncle to you? I get confused. I think I am a great granddaughter to Simpson Adams.

If you have been in contact with Beverlyn Weddell, as I have in last week, then you probably have a lot of the info she has. I have information on Taylor Simpson Adams, who was Simpson's first son I think. I'm not sure about anything anymore since getting information from Beverlyn. I didn't know about any siblings of Mason's. I didn't even know who his mother was much less his father. The word among my mother and her siblings was that their dad had been adopted, but legally, and it was suspected his last name should have been Allsup/Alsup/Alsip. Didn't have any idea of what spelling. Of course, now I know where that may have come from being as Mary Ann was trying to get Simpson's military pension, which you may already know about. Tell me what you need to know.

I have been tracing or trying to trace this Adams family since 1953. I interviewed my mother's siblings to get all their statistics. Glad I did because, of course, they are all gone.

You say Pearl Baker Couch is still alive. Where does she live? Where do you live? IN, or IL by any chance? I am in AZ. but I am from Midwest. There are a lot of Adams that live in IN and IL. Do you know Wanda Pate?

And by the way, Bev Robertson sent me your email. Her husband Roy is my cousin. His mother and my mother were sisters. And I might add, very close to one another. They loved each other so much. They are Mason's daughters.

Let me know what you need and we will start.

One of Simpson's sons whom I THOUGHT was his fist, was Taylor Adams. I have all birth and death info on him and his siblings. Do you need that?

Let me know. And we have traced Mason's wife Minnie clear back to 10th century England. But that is not your line, so I'm sure you don't need that. I have pictures also of Mason Adams and of Taylor Adams that I will gladly share.

This is so fun to finally get people that know something about a family of mine that I have been seeking info for so long.

Hope to hear from you.

Paula

Subject: Re: Scarboroughs

Danville, IN??? I never knew there was a city in IN called Danville. I lived in Danville, IL when I was a kid. That is where my mother and father married and are buried. Where is Danville, IN? The new book on Quakers---yes, if you would send it, I would love to read it. Where does you line go, John? Mine is Mason. Is your grandparents or gr grandparents one of Mason's siblings? I can not begin to tell you how exciting this is to my sister and I. We figured we were at a dead end on getting info on Mason Adams. And the strange thing about it, none of Mason's sibling knew a thing about his parents. When Mason died, I am thinking his son who was the informant on his info for the death certificate, must have been embarrassed that he didn't know anything and just made up the name Frank Adams. I remember my Uncle Robert Adams telling me there was an Alsup/Alsip involved someway. A little cemetery outside of Homer, IL, he said there was an Alsup buried there that may have been related in some way to us. But I went to two cemeteries on that country road that leads to Tilton, IL and could find nothing. I wouldn't know anyway if I did find something. I find it strange that Mason never spoke of his parents. If you are related to one of his siblings, to your knowledge, did your relative know anything? Know the names of their parents? It is just so hard for me to imagine someone not knowing or not mentioning the names of their parents to their kids. It must have been so embarrassing or something. Do you think? My oldest uncle, Gary Adams, when I went at age of 18 to visit his house and talked to his wife, she gave me information on all her kids, their wedding date, etc. But before I left, she said to me, this is not a good idea. It is better to let sleeping dogs lie. I had no idea what she was talking about at the time. I had not heard anything yet that would indicate their last name would be anything else but Adams. I would give anything if I could share this info with my mother, God rest her soul. Jack, Bob, Dude (Lillian) Adams and the rest of their siblings were actually cousins to my mother and she never knew. She knew they were related in someway, but didn't know how. There is something so sad about that.

My mother was a country gal who married a city man. She always kept her country charm, always loved animals, had a veg. garden and flowers galore. Dad became the same way. He was from DE. And what a wonderful man he was. We were so poor, but I never knew it until I grew up. There was so much love, music and laughter in our homes.

Well, as you may have guessed, I am feeling kind of sentimental. I thank you so much for your information. I didn't get to know my grandfather Adams, and Minnie died shortly after we moved back to IL from Pennsylvania. She was buried on Christmas Eve 1943, and I watched my beloved mother cry her eyes out over her loss. I could not begin to understand how that feels at that young age to lose one's mother.---

Thank you. Paula- Original Message -----

Subject: Re: ADAMS family

Hello Chris,

Thank you for the photos. None of the faces look familiar to my husband.

Thank you so very much for looking for Paula FRANCIS. Do you know if she is still living? Paula would be my husband's second cousin, because their grandparents were first cousins. I have a Clara REED listed which was in Mason's obituary. I did not find an obituary for Minnie ADAMS in the Hammond Times, but did not have her death date.

How neat that you have a great aunt by the name of Bev! I imagine that her nickname came from the name Beverly, my nickname did not come from Beverly. My birth name is Beverlyn. You may provide her with both my e-mail address and mailing address.

Did Mason have a sister named Pearl? I do not have one listed for him. According to my research, Mason's siblings were Simpson H., Zachary T., Jefferson, Martha F., Elizabeth, Mary Catherine and Clara E. ADAMS. Mason's sister, Martha F. had a daughter named Pearl who is still living and Mason had a daughter named Pearl.

According to Simpson ADAMS' (the elder) military records, he was married only to Elizabeth CASH. However, he cohabited with Mary Ann SCARBORUGH for many years. He was having kids by both his wife, Elizabeth and his lover, Mary Ann. After Simpson ADAMS died, Mary Ann (SCARBOROUGH) ADAMS married William McQUERRY in 1895 in Garrard Co., KY. Mary Ann was Mason's mother.

John and Mary BROWN were down today and we went to the court house and genealogy society library to exchange documents. It was good to see them; we did not have our fall camping trip this year.

Sure hope this helps to solve the confusion and not add to it.

Hoosier Cuzn
Bev

Well, I have noticed and not sure how I got it, that Simpson H Adams was born in 1870 and Mason Adams was born in 1866...LOL Thats not possible so I definately have something screwed up...Now I am really lost. I don't understand why the papers that were in the family bible show John as being Mason's father unless perhaps Simpson seniors middle name was John and used that name? Don't suppose you have his middle name do you? I hope I don't annoy you guys too much but I am totally new at this and have not done much research yet.

    8, Ekka Nae
    9. Lilly (Dude)
    10. Alice (deaf and dumb) Last I heard, she was in Kankakee, IL mental hospital. But that was quite a few years ago. She could be dead by now. After her two brothers, Jack and Bob died, there was no one to care for her, so she had to go into that institution. I met her, Dude, Jack and Bob when I was young. Really country. I mean REAL country. But wonderful happy people. My mother loved them so much. They often spoke of how Mason was half brother to them or of some relation. I will have to compare some dates here.

back to John Archibald's kids.

2. Lizzie
3. Jefferson
4. Elizabeth
5. Mason

If you have this info, remember I got it from this Jack and Bob Adams. So names may not be as they were legally. Just like I never knew Jack's sister's name was Lilly. I always knew her as Dude.
The Wanda Pate I spoke of -----Dude was her Aunt. She has elderly Aunts living near by her who will not share information about the past. They are mad at her for doing genealogy. Ky had their own way of doing things years ago. I guess they think we will smear their names. I feel so close to these people thou I have never known them. I have been tracing for so long. I bet you feel the same way.
I was in a library in DE tracing my dad's side. I found a marriage date on someone that I had been looking for a link for so many years. I just yelled out loud ' yahoooooo'. Everyone knew how I felt in that library. haha
So needless to say, your info is such a delight to my sis and I. Thank you so much. I will get you the actual genealogy sheets on Bob and Jack and of Mason's family, etc. Whatever you don't have, I will get it to you.
Have a wonderful Thanksgiving.

Hello Paula,

WOW! This is super! I only had info on the children as listed in Mason's obituary. I had not found Willie Minnie's obituary or death info. One reason for not finding anything on her was probably the confusion in her name.

Willie Miller NORRIS is the name as given on her and Mason's marriage record and application. That is what caused some confusion when looking for her. I have triple checked that her middle name was not Minnie or Millie--it is Miller on that record.

Wow, thanks, John, for the quick reply. I use the Scarbro spelling since that was how I found it indexed in the 1870 census under Jacob Scarbro, but good to know that Scarborough is the correct one.

I (and my mother Donna Kamp- her grandaftehr was Mason Adams, brother to Martha) would love to talk with you before you go to FL. This weekend coming up, I am going to be staying at her house in Argos IN (my niece has a Christmas musical thing we're attending on the 14th). Her phone number there is (574) 892-5424 . A good time to call is Saturday morning the 13th (sometimes they go out to dinner on Friday nights), or anytime on Saturday the 13th (although sometimes they go out on Saturdays after lunch- shopping etc) or on Sunday the 14th until about 11:30 AM.

As for me, for the rest of this weekend, I am house and dog-sitting for a friend until Sunday evening Dec 7th. The phone number here in Mishawaka, IN is (574) 257-2956. I'm going to the library to do more genealogy stuff right now on Sat. afternoon Dec 6th, but will be back about 6:30. I will be around all morning Sunday, although I may go to the library again on Sunday afternoon from 1:00 - 5:00, then I'll be at this phone number until about 9:00PM Sunday night Dec 7th.

Good to know how you are connected. So I assume then that Bev Weddell's husband Harold is related to you, right? I just sent her a long e-mail with lots of questions. This is really neat to finally find out about the mystery of the Simpson Adams family.

Looking forward to hearing from you, either this weekend or the next at my mom's house in Argos, IN. FYI- my mom's address is Donna Kamp, 305 N. Michigan St., Argos, IN 46501. Her e-mail is djkamp2000@yahoo.com

Hello to John

Paula Reed Francis forwarded a message to me from you. I too have recently become involved in the genealogy of the Adams family. My grandmother on the maternal side was Ethel Mae Adams Ryan, who was the daughter of Mason Adams, first-born son of Simpson Adams and Mary Ann Scarbro. My mother Donna Ryan Everdon Kamp was the daughter of Ethel Adams Modglin Ryan.

In an earlier e-mail, Paula mentioned she was in contact with you, but I'd appreciate it if you could explain more fully your connection to the Adams / Scarbro family.

Looking forward to hearing from yoy.

Wow, thanks, John, for the quick reply. I use the Scarbro spelling since that was how I found it indexed in the 1870 census under Jacob Scarbro, but good to know that Scarborough is the correct one.

I (and my mother Donna Kamp- her grandaftehr was Mason Adams, brother to Martha) would love to talk with you before you go to FL. This weekend coming up, I am going to be staying at her house in Argos IN (my niece has a Christmas musical thing we're attending on the 14th). Her phone number there is (574) 892-5424 . A good time to call is Saturday morning the 13th (sometimes they go out to dinner on Friday nights), or anytime on Saturday the 13th (although sometimes they go out on Saturdays after lunch- shopping etc) or on Sunday the 14th until about 11:30 AM.

As for me, for the rest of this weekend, I am house and dog-sitting for a friend until Sunday evening Dec 7th. The phone number here in Mishawaka, IN is (574) 257-2956. I'm going to the library to do more genealogy stuff right now on Sat. afternoon Dec 6th, but will be back about 6:30. I will be around all morning Sunday, although I may go to the library again on Sunday afternoon from 1:00 - 5:00, then I'll be at this phone number until about 9:00PM Sunday night Dec 7th.

Good to know how you are connected. So I assume then that Bev Weddell's husband Harold is related to you, right? I just sent her a long e-mail with lots of questions. This is really neat to finally find out about the mystery of the Simpson Adams family.

Looking forward to hearing from you, either this weekend or the next at my mom's house in Argos, IN. FYI- my mom's address is Donna Kamp, 305 N. Michigan St., Argos, IN 46501. Her e-mail is djkamp2000@yahoo.com

Hello to John

Paula Reed Francis forwarded a message to me from you. I too have recently become involved in the genealogy of the Adams family. My grandmother on the maternal side was Ethel Mae Adams Ryan, who was the daughter of Mason Adams, first-born son of Simpson Adams and Mary Ann Scarbro. My mother Donna Ryan Everdon Kamp was the daughter of Ethel Adams Modglin Ryan.

In an earlier e-mail, Paula mentioned she was in contact with you, but I'd appreciate it if you could explain more fully your connection to the Adams / Scarbro family.

Looking forward to hearing from yoy.

Ok, I now I can visualize the family connection in my mind. I would love to have whatever you have collected on the Adams / Scarbrough family, wow, 250 pages worth, huh?!

You can send what you can via e-mail or whatever way is easiest for you to do.

I really appreciate all this contact. We had really been hitting brick walls when it came to Simpson Adams and his roots so this is great!

Thanks again, and I'll keep in touch.

When you go to FL, will you still be on computer? And what part of FL will you be going. I have a friend in Sarasota, of which I just came back from there. Oh, I guess it wasn't a 'just'. haha I got back end of September. Gosh, how time flies. Where do you live? Or did you tell me that already? I used to live in Orlando back in 1959. Lived there for 5 years. Husband was in AF, McCoy AF Base. A daughter born there in Orlando.
You are sending me a package? Oh how nice. I don't have pictures of Martha's kids. I have pictures of Taylor Adams, Lester Adams. Oh, I think that is one of Taylor's sons. Taylor was actually Zachary Taylor Adams.
I will be watching for the package. Thank you so much.

Hi John,

I guess my 2nd cousin wants to have a reunion the same weekend we have ours. And wants you all to come. Sure hope that doesn't mess up having you all come to our reunion. I want my family to meet you all, and of course, I too want to meet you and Mary, and the Waddells. Would two reunions be too much for you all on one weekend? Well, that is if you decide to come. Listen to the 'you all'. I picked that up when I lived in FL for 5 years. haha.
One reunion would be in Crown Point and the other in Argos, IN.
The girl I know that lives in Georgetown, IL is from the Taylor Adams line. She got a lot of info on him. she has aunts still alive living near by who don't want to share info with her. Maybe we are beginning to understand why. We are hoping to get them to come to the reunion.
My tel. # is 623-972-5570.

Will you still be able to write email from FL? Do you have a lap top? Hope you do so we can still write back and forth.

Every member of my family learned a musical instrument except me. I always wanted to learn piano, but because there were two already playing piano, my mother asked me to take accordion. I never liked it. About 5 years ago, I finally decided to take piano lessons. But then my husband, my beloved Denver Francis died, and I lost every creative bone in my body. It is beginning to want to surface. I have 3 sisters and one brother left, and they are so creative. One sister does water color paintings, another sister does oils, pencil and pastels, among other talents. Another sister made the most beautiful porcelain dolls for years until her husband died. I did oils, but mostly pencil drawings. But when I became a clown, I put the art work on hold. I was doing pretty good on the piano until half of my everything was taken away. He was a singer and a terrific one. Elvis was our era, so he could impersonate him and it sounded just like him. Anyway, I am beginning to think I want to try the piano again. If I can fit it in. My clowning business keeps me hopping.

Gee, you only asked for my tel. # and you get history with it. haha.
Gracious. I just looked at my watch. It is 1:30 am.
Think I will go to bed.

Well hello everyone

I was looking through some work today and came across some papers i do not recall where or who they came from but i don't even remeber seeing them before. lol i ahve been covered up with work lately. But this is a shot in the dark but lets see if someone can put this together. I believe it may have came from chris......anyways
i see htat there is a
john archibald alsip with wife named mary katherine or elizabeth baker........

ok looking at the marrieage of the taylor simpon 1935 could this maybe be Mary e Baker d/o catherine scarbro/scarborough born 1870 ????? but i think i am understanding that to be a adams are we sure it is not a baker.......

does anyone have info on that mary e baker 1870 now this is just my thoughts i saw where it says keep these paper laying around maybe we can connect it was just a thought..... i also need info on the louisa baker that married a william gafney/gaffney ok,

also chris i need to know Hobert robinson and pearl adams children i have collected from the bible 4 children
pauline frankilin b- 6-12-1920 d ? 21,1920
dorothy myrtle b -5-11-1921 d 1-12-1966 m.james vincele(??) on 11-22-1941
Darlene Belle b- 11-24-1922 d 5-5-1925
Cecil Freeman b-1-11-1924 m- marge ? b-4-4-1933 d 2-26-1978

what is the list on the last page... who are they suppose to be?????

Bev or anyone who may know i would love to be incontact with pauline francies reed or anyone in that family i need their info.

Karen everdon:::::: so did ethel and james ryan only have to one child which is your mother donna i did ethel info please.

out of mason and willie norris 's 14 kids i have names but only have good info on pearl and little one ethel does anyone have this info. i think i have sent everyonew my info if there is anyhthing or anyone i have left out please let me know....I think my book is really growing and i hope to met you all someday. sure was good to meet john and wife mary..

and you know mason was down on the cenus as scarborough with mary and jacob so i really do think that mary had already had him and no ideal who dad is and that when she and simpons conneccted that he maybe gave him his name of adams so looks to me like maybe that simpson adams was a pretty good fellow. but someday i hope i will find out all about it....... so i was just wondering where did the marriage date come from on simpon and mary ann (whos has it) it planly shows that mason was born before they supposely married (which is not proved) boy isn't this alot of fun???? so has anyone looked for a birth cer on mason b 1866/1867???? maybe mason scarbrough/mason adams/ now we have also got maybe mason alsip;;;;;;\
\

oh by the way i am working with some alsip also my moms family(TAYLORS) have some alsip so maybe they will show up somewhere. lol. good luck to all and the easiest i have seen to share is to just write all and e-mail together.....ha ha.

bev i hope you two enjoy your trip and stay warm.....

wove your ky cuz

John,
Maybe we can meet you half way. Are you going to be in Apache Junction. That is approx. 50-60 miles from where I am. Let me know. I do have to work (clowning) on 22nd. Surprisingly, as it stands at this moment, I am not working Sat., but Sunday, yes. Just give me a call, 623-972-5570. Will be really nice to meet you and Mary.
Paula

If push comes to shove, I will get someone to work my gig on Sunday if it comes to being the only day.

John, thank you so much. You are such a kind person. So giving. I am so glad you came into our life. You and Mary both. We look forward to seeing you again at the reunion and introducing you to our families back there.

John, I don't understand. When I click on what you sent, I do get in to the program. I type in a name and info and click search. Brings up either no match, or names not even similar. To test it, I typed in my father and all his info, including his parents. It brings up two people with the last name spelled different, different b. and d. dates

If you get over to the Danville Library, I would really love to find some information on my father's two brothers. I have their info, but I was hoping to track down perhaps a living relative. I will give you this one and his info. If you get over there and have time, maybe you can find something on him.

CHARLES RAYMOND REED b.Feb. 24, 1910 in Chestertown, MD Kent Co.; d. January 1987 in Wilmington, DE (Do not know where he is burried, but I bet it is in Wilmington. He used to work as a City Clerk in Wilmington. He was an artist, drew a cartoon for the local paper in Wilmington called BUCKY. He married a girl named Laura and had a son Charles R. Reed, Jr. Second wife was Ruth. Don't have any dates or last names. We know his son had a little girl but have no name or date. What we are trying to find is IS THERE ANYONE STILL ALIVE OF OUR REED FAMILY?

Charles' parents: Calvin Daniel Reed and Catherine Carter

We have not had much luck with finding some of our Reed ancestors beyond our gr gr grandparents. They are all from east coast--DE and MD. When I go to the Latter Day Saints library out here in Mesa, I still can find nothing. Mostly because they don't have the stuff here. Have to send to Utah for it. And then it is just a quess whether info is there on our family.

When I move to my new house, I may go on another internet. I don't seem to be having luck with this high speed thing I have. Maybe I'll check out MSM.

Thanks for all you do to help us John. You are so sweet and so kind to do this. So anytime I can do something for you, I will give it my best shot.

Until later,
Paula

Hello Karen & cousins,

First, thank you for sharing in your research and theory on the possible biological parents of Mason Adams. You have presented your theory well, and created several thought provoking theories of which some may or may not be proven with additional written documentation.

Second, sometimes we can find proof in land records, probates records, wills and/or in divorce records which are maintained in courthouses or archival libraries. Hal and I searched for land records for Jacob Scarbro/et al in Rockcastle but did not explore land records in Garrard Co., KY. We also checked for wills for Jacob but to no avail. If there is a record for a divorce decree (did you find a divorce decree for Jacob and Rachel?) for which we did not explore, that may or may not prove that Mason was the biological child of Jacob and Rachel Pointer Scarbro or the son of Mary Ann Scarbro. Another research trip may produce more evidence to support or to disprove that theory.

Third, there is new technology available to family genealogists which helps to link descendants. I am not very familiar with this method which is called DNA. Supposedly, there are several like indicators to prove that two different people are descended from the same progenitor. It would be interesting to compare one or more of Mason's descendants with descendants of Martha Adams Baker Hamilton and/or of Elizabeth Adams Bryant Brewer and of Rachel Pointer Scarbro. This would help prove whether Mason was a brother, half-brother or uncle of Martha's and Elizabeth's heirs. This is only food for thought not a suggestion.

Fourth, if Mason were the son of Jacob and Rachel Pointer, and Jacob were deceased, the court would probably have appointed a guardian for Mason. In most cases, if the father died and the mother were still living, the court would appoint a guardian (usually a male not a female) for the minor child/children. If a guardian were appointed for Mason, the proof may be found in fee record books, probate records and/or similar court records.

Fifth, Karen are you able to do an interlibrary loan for microfilm either at a public library or LDS library in your area? The LDS library can usually keep microfilm for several months to indefinitely for a small fee as you probably already know.

In sum, there are some research possibilities for proving and/or disproving who Mason's parents might have been. It is a perplexing problem to solve, and it appears that there are many more documents for which to search for additional clues prior to making a conclusion. I like genealogy theories because they help one to broaden one's research. These are my thoughts, but I would like to hear what others have to say on this subject, too.

Hoosier Cuzn,
Bev W.

> Hello to John Brown, Bev Weddell, and Sue Chesnut

John, I hope that you get this message before you leave today (Tues 5-11)to meet with my mother Donna Ryan Everdon Kamp, grand-dau of Mason Adams.

I have been doing some research on the Scarbrough/Scarbro/Adams genealogy, and wanted to pass on what I've found.

As we know, Mary Ann Scarbrough's father was Jacob Scarbrough, and in the 1870 census, he was living in Brandy Springs, Garrard County, KY with his daugher Mary Ann- then age 24, and a child -Mason- age 4 (who supposedly was born in Garrard County KY on May 4, 1866) . And of course, by 1880, Mary Ann was living with Simpson Adams in Jackson Co, IN along with Mason Adams, the son Simpson, son Zachary Taylor (Tyler as listed in 1880 census), son Jefferson, and dau Martha.

Prior to the 1870 census, I found Jacob Scarbro/Scarbrough in 1850 living in the Northern District Twnship of Rockcastle County, and in 1860 living in Rockcastle County, KY with a Mt. Vernon post office (p.572b of census for that county, census done July 11, 1860).

While doing research into tracking down Mary Ann's father Jacob, on the Ancestry.com database for Kentucky marriages (1851-1900), in Garrard County on July 7th, 1865, I found a Jacob Scarbro who married a Rachel Pointer. Since Jacob Scabro was living in that county at the time of th 1870 cenus, he had obviously moved there from Rockcastle County sometime prior to 1870. His wife Mary Brock was alive in the 1860 census but not living with Jacob by the 1870 census so she probably died or perhaps they divorced by 1870, thus it seems very likely that this Jacob Scarbro who was married in Garrard County in 1865 could be mary Ann's father. If Jacob Scarbro then had a 2nd marriage in 1865 to this Rachel Pointer, could it then be possible that Jacob Scarbro/Scarbrough and this Rachel Pointer had a child together which then could be Mason who was born in May 1866. The timeframes would work for Mason to actually be the son of Jacob and rachel, rather than the son of Mary Ann. It appears that Jacob Scarbro and Rachel Pointer Scarbro were divorced by 1870.

Jacob then probably died after 1870 and by 1880. If that was the case, it could be possible that Mary Ann then took Mason to live with her since he would be her half brother (rather than her son), thus making the descendants of Mason Adams actually Scarbroughs rather than Adams.

I also did some research into this Rachel Pointer who married a Jacob Scarbro in Garrard County in 1865. It appears that Pointer may hae been this Rachel's married name, and she had a previous marriage to Squire Pointer. In the 1860 census, Squire Pinter, age 52, was living in Garrard Co, Lancaster post office (census page 792), with his wife Rachel (age 43 or 45- hard to read on computer screen- in 1860 so she born in KY abt 1815-1818) and probably their children- son William- age 19, son Mason-age 17, dau or dau-in-law (?sp) Cassey-age 15, dau Sarah-age 9, dau (?sp) Eisley-age 7, dau Margaret-age 5, son Squire- age 3, and son Abner-age 1.

By the 1870 census (p.357), Squire Pointer appears to have died, and his son William Pointer (age 24 in 1870) was head of household and living in Brandy Springs, Garrard County, KY (which is also where Jacob

By the 1870 census (p.357), Squire Pointer appears to have died, and his son William Pointer (age 24 in 1870) was head of household and living in Brandy Springs, Garrard County, KY (which is also where Jacob

Scarbo was living in 1870 with Mary Ann and Mason). Living with William in 1870 was female Cassey- age 22, male Burdette-age 3, male James M- age 7 months (so perhaps Cassey from the 1860 census was actually the wife of William and Burdette and James are their children), Rachel (?sp-looks like Scarber)-age 52, Margaret-age15, Squire-age13, and Abner-age11. Obviously, this is the same family as the ones living with Squire Pointer in the 1860 census, and the Rachel now with a different last name that looks like Scarbro (I don't have access to actual microfilm KY census records for 1870 only only the computer via the Ancestry.com Web site so it is difficult to read the actual spelling of this Rachel's surname) could be William's mother, widow of Squire, and possible ex-wife of Jacob Scarbro/Scarbrough who divorced Jacon after 1865 and by 1870 and was backign living with her first marriage's children. Rachel's age would be a little old to be have another child by 1865 (the 1860 census listed her as age 43 or 45 so she born about 1815-1818 so by 1865, she would have been either age 48 or 50), but it is possible, I suppose that Mason could be her son with Jacob, whom she left behind when they divorced and she moved back to live with the children of her first husband. By the 1880 census, William and Cassie Pointer (husband & wife) are still living in Brandy Springs, Garrrad Co, KY, with children Burdette and James and other children, but no longer is Rachel living with them.

So, just a possibility, and perhaps another route to look at for those of you who are closer to garrard County, KY and can view actual records.

Looking forward to meeting you in June.

Thus, Jacob Scarbro married in Garrard County, KY on July 7, 1865 to Rachel Pointer (who had probable 1st marriage to Squire Pointer- unknown her maiden name), with possible child Mason born May 4, 1866.

Living with William in 1870 was female Cassey- age 22, male Burdette-age 3, male James M- age 7 months (so perhaps Cassey from the 1860 census was actually the wife of William and Burdette and James are their children), Rachel (?sp-looks like Scarber)-age 52, Margaret-age15, Squire-age13, and Abner-age11. Obviously, this is the same family as the ones living with Squire Pointer in the 1860 census, and the Rachel now with a different last name that looks like Scarbro (I don't have access to actual microfilm KY census records for 1870 only only the computer via the Ancestry.com Web site so it is difficult to read the actual spelling of this Rachel's surname) could be William's mother, widow of Squire, and possible ex-wife of Jacob Scarbro/Scarbrough who divorced Jacon after 1865 and by 1870 and was backign living with her first marriage's children. Rachel's age would be a little old to be have another child by 1865 (the 1860 census listed her as age 43 or 45 so she born about 1815-1818 so by 1865, she would have been either age 48 or 50), but it is possible, I suppose that Mason could be her son with Jacob, whom she left behind when they divorced and she moved back to live with the children of her first husband. By the 1880 census, William and Cassie Pointer (husband & wife) are still living in Brandy Springs, Garrad Co, KY, with children Burdette and James and other children, but no longer is Rachel living with them.

So, just a possibility, and perhaps another route to look at for those of you who are closer to garrard County, KY and can view actual records.

Looking forward to meeting you in June.

Thus, Jacob Scarbro married in Garrard County, KY on July 7, 1865 to Rachel Pointer (who had probable 1st marriage to Squire Pointer- unknown her maiden name), with possible child Mason born May 4, 1866.

Hello to John, Bev, and Sue

That would be great if Sue could check on that info in Garrard County. I didn't realize that she lived so close to the area in KY. I am able to get quite a bit of information via the Internet genealogy sources and through Interlibrary Loan, and there is a LDS regional office very close to where I live in northern Indiana (although I haven't yet used their facilities), but being close to original source records is so much nicer! Bev Weddell also mentioned a possibility of someone checking for divorce records in Garrard County for this Rachel Pointer Scarbro and Jacob Scarbro, and also for any possible guardianship records in Garrard County for Mason (if Jacob was his father and jacob then died after 1870 and by 1880 in Garrard County, there may have been a guardian assigned since Mason would have been a minor). I don't have my records with me so I can't recall if a date and place of death for Jacob Scarbrough was found. Did he die in Garrard County or in Rockcastle County or elsewhere? Also, did Jacob Scarbrough, Mary Ann's father, serve in the Civil War?

It looks to me like this Rachel Pointer ?Scarbro's maiden name was Hall (or is possible Hall could be a married name for her since she was in her 20's when she married to Squire Pointer so she could have had an earlier marriage), and she was married to Squire Pointer on 2-12-1844 in Garrard Co, KY (marriage bond 574). Unknown though is any info about Rachel's parents. Again, Rachel (b. abt 1810-1820) would have been in her mid-20's to early 30s when she married Squire Pointer in 1844 so it could be possible that she may have had a previous marriage and that Hall then might be her married name rather than a maiden name.

It looks like Rachel's husband Squire Pointer was born abt 1808 in KY and died between 1860 and 1870, so it is possible that Rachel would have been free to re-marry in Garrard Co. in 1865 to Jacob Scarbro. Squire Pointer probably had a previous wife before Rachel- unknown his 1st wife's name- the 1st four children then born between 1835 -1841 would not be Rachel's- her children with Squire Pointer seem to start with Mary Susan- born abt 1845 and Catherine Cassandra "Cassie" Pointer b. 1848 (Cassie married in Garrard Co in 1866 to a William Pointer).

Rachel (?sp)Scarber then in the 1870 census in Garrard County was living in her married daughter Cassie's household. Cassie's husband and Rachel's son-in-law was William who also had a surname of Pointer (whose father was a Walker Pointer- so even with the same surname as his wife Cassie, probably were not related or else related very remotely).

I also found it an interesting coincidence that this Rachel Hall Pointer ?Scarbro had a possible step-son from her 1st marriage to Squire Pointer, who was also named Mason (Pointer). Was Mason a common given name back then?

There are a number of Web sites on the WorldConnect part of the Rootsweb.com for Squire Pointer with Rachel Hall as his spouse and for other Scarbroughs and Pointers. It appears that Rachel's husband Squire did die by 1865 so she would have been free by 1865 to marry Jacob Scarborough. By 1880, it appears that this same Rachel now using the surname of Pointer was living with her step-son Mason Pointer in Greenfield, IL, Greene County. Rachel seems to

have died around 1895 in Greene Co, IL.

Here are the Webs sites if anyone wants to check them out for themselves

John Brown had let me know that Jacob Scarbrough's brother William had also had a son named Jacob, born abt 1826 so I suppose it is possible that he too could have been the Jacob who married Rachel Pointer in 1865 in Garrard County, but it appears as if that Jacob stayed more in Rockcastle Co. (those of you who have done more on the entire Scarbrough clan may have better info about him- is he the Jacob Scarber who supposedly killed a man in Rockcastle Co, KY?)

There was also an Jacob Scarbrough b. abt 1841 who was the son of Harvey Scarbrough (who was also a brother to Jacob and William Scarbrough) who could also possibly be the spouse of this Rachel Pointer who was married in 1865 in Garrard Co but that Jacob- b. abt 1841 seems to have died in the Civil War in 1864 so it isn't possible that he could be the Jacob Scabro who married in 1865.

By the time of the 1880 census, I found a Rachel Pointer of the right age now living in Greene County, IL. She was head of household but living with her was a Mason Pointer- age 39 (note that Rachel had a step-son Mason Pointer

born 1841so this could be the same 2 people).

It is then very possible that Rachel Hall Pointer- ? ex-wife of Jacob Scabro- widow, age 62, b. KY in 1880 census- was living in Greene Co, IL with step-son Mason Pointer-age 39, who said he was married (but no wife was living with him in 1880)

Also living in Greene Co, IL in 1880 was another Mason Pointer- age 16- b. in KY- liv in Greene Co, IL w/ mother Sylvia, age 32, b. in KY, widow, and brothers Mitchell- age 18 and Johnage 15, all born in KY. Perhaps this Mason was the step- grdson of Rachel Pointer)- note that the Mason Pointer-age 39- who was living with Rachel Pointer in 1880 in Greene Co, IL said that he was married yet no wife was living with him. Could this Sylvia Pointer with a son Mason age 16 who said she was a widow then be a wife or ex-wife of Mason Pointer or one of the other Pointer sons?

Note- there was a Mason Pointer married 11-2-1881 in Cook Co, IL to Fanny Green Moore (she died in 11-29-1921 in Chicago, IL Cook Co (unknown if this same Mason Pointer in Cook Co, IL was the same Mason Pointer living in Greene Co, IL in 1880).There was also a Maize Pointer who married in Greene Co, IL on 4-10-1882 to Sallie Hall.

Anyway, hope that this info is helpful to you all. Wouldn't it be interesting if any of this speculation could be proven?!!!

Subject: Jacob Scarbrough info

Hello to John Brown, Bev Weddell, and Sue Chesnut

John, I hope that you get this message before you leave today (Tues 5-11)to meet with my mother Donna Ryan Everdon Kamp, grand-dau of Mason Adams.

I have been doing some research on the Scarbrough/Scarbro/Adams genealogy, and wanted to pass on what I've found.

As we know, Mary Ann Scarbrough's father was Jacob Scarbrough, and in the 1870 census, he was living in Brandy Springs, Garrard County, KY with his daugher Mary Ann- then age 24, and a child -Mason- age 4 (who supposedly was born in Garrard County KY on May 4, 1866) . And of course, by 1880, Mary Ann was living with Simpson Adams in Jackson Co, IN along with Mason Adams, the son Simpson, son Zachary Taylor (Tyler as listed in 1880 census), son Jefferson, and dau Martha.

Prior to the 1870 census, I found Jacob Scarbro/Scarbrough in 1850 living in the Northern District Twnship of Rockcastle County, and in 1860 living in Rockcastle County, KY with a Mt. Vernon post office (p.572b of census for that county, census done July 11, 1860).

While doing research into tracking down Mary Ann's father Jacob, on the Ancestry.com database for Kentucky marriages (1851-1900), in Garrard County on July 7th, 1865, I found a Jacob Scarbro who married a Rachel Pointer. Since Jacob Scabro was living in that county at the time of th 1870 cenus, he had obviously moved there from Rockcastle County sometime prior to 1870. His wife Mary Brock was alive in the 1860 census but not living with Jacob by the 1870 census so she probably died or perhaps they divorced by 1870, thus it seems very likely that this Jacob Scarbro who was married in Garrard County in 1865 could be mary Ann's father. If Jacob Scarbro then had a 2nd marriage in 1865 to this Rachel Pointer, could it then be possible that Jacob Scarbro/Scarbrough and this Rachel Pointer had a child together which then could be Mason who was born in May 1866. The timeframes would work for Mason to actually be the son of Jacob and rachel, rather than the son of Mary Ann. It appears that Jacob Scarbro and Rachel Pointer Scarbro were divorced by 1870.

Jacob then probably died after 1870 and by 1880. If that was the case, it could be possible that Mary Ann then took Mason to live with her since he would be her half brother (rather than her son), thus making the descendants of Mason Adams actually Scarbroughs rather than Adams.

I also did some research into this Rachel Pointer who married a Jacob Scarbro in Garrard County in 1865. It appears that Pointer may hae been this Rachel's married name, and she had a previous marriage to Squire Pointer. In the 1860 census, Squire Pinter, age 52, was living in Garrard Co, Lancaster post office (census page 792), with his wife Rachel (age 43 or 45- hard to read on computer screen- in 1860 so she born in KY abt 1815-1818) and probably their children- son William- age 19, son Mason-age 17, dau or dau-in-law (?sp) Cassey-age 15, dau Sarah-age 9, dau (?sp) Eisley-age

7, dau Margaret-age 5, son Squire- age 3, and son Abner-age 1.

By the 1870 census (p.357), Squire Pointer appears to have died, and his son William Pointer (age 24 in 1870) was head of household and living in Brandy Springs, Garrard County, KY (which is also where Jacob Scarbo was living in 1870 with Mary Ann and Mason). Living with William in 1870 was female Cassey- age 22, male Burdette-age 3, male James M- age 7 months (so perhaps Cassey from the 1860 census was actually the wife of William and Burdette and James are their children), Rachel (?sp-looks like Scarber)-age 52, Margaret-age15, Squire-age13, and Abner-age11. Obviously, this is the same family as the ones living with Squire Pointer in the 1860 census, and the Rachel now with a different last name that looks like Scarbro (I don't have access to actual microfilm KY census records for 1870 only only the computer via the Ancestry.com Web site so it is difficult to read the actual spelling of this Rachel's surname) could be William's mother, widow of Squire, and possible ex-wife of Jacob Scarbro/Scarbrough who divorced Jacon after 1865 and by 1870 and was backign living with her first marriage's children. Rachel's age would be a little old to be have another child by 1865 (the 1860 census listed her as age 43 or 45 so she born about 1815-1818 so by 1865, she would have been either age 48 or 50), but it is possible, I suppose that Mason could be her son with Jacob, whom she left behind when they divorced and she moved back to live with the children of her first husband. By the 1880 census, William and Cassie Pointer (husband & wife) are still living in Brandy Springs, Garrrad Co, KY, with children Burdette and James and other children, but no longer is Rachel living with them.

So, just a possibility, and perhaps another route to look at for those of you who are closer to garrard County, KY and can view actual records.

Looking forward to meeting you in June.

Thus, Jacob Scarbro married in Garrard County, KY on July 7, 1865 to Rachel Pointer (who had probable 1st marriage to Squire Pointer- unknown her maiden name), with possible child Mason born May 4, 1866.

Hello to Bev Weddell, John Brown, Sue Chesnut and any other "cuzns"

Most of you are aware that Paula Reed has invited you all to attend the Reed family reunion on Sat. June 6, 2004 in Illinois. This is a very large family reunion, primarily of Paula's husband's family, and they always have lots going on, skits and auctions and activities and so on so perhaps there will not be much chance to socialize as much as we new "cuzns" might like. So, my mother, Donna Ryan Kamp, thought it might be possible for the ones with interest in the Adams and Sacrbrough connections who may already be attending the Reed reunion to stop by her house (which is in Indiana southeast of the location of the Reed reunion in Illinois) on the next day Sunday about noon, and compare notes on how we are related, and to bring any pertinent documents, photos, etc.

I have attached a 2 page flyer, one page has information about the Adams get-together and one page with directions to my mother's house in Argos, Indiana. These were created in Microsoft PowerPoint so if you have that program loaded on your computer (it is part of the Microsoft Office suite of programs), it should open that program automatically when you click on it.

My mother is also sending via regular mail this same flyer to Bev and John, but not to you, Sue, since I didn't have your mailing address in Kentucky. If you can't open these 2 attachements and would like a hard copy sent to you, please let me know your address.

We are really looking forward to meeting all of you and hope you can attend both reunions.

Hello John,

Just saw all the BROWNS and thought of you. One never knows where a clue will come from. At researcher from MO sent me some pages of Wales records for my TOBIAS family.

I noticed that Karen did not look at your books, but thought that maybe she thought that they were too overwhelming. I did not bring any CDs except the ones with photos, and I did not even mention them because there seemed to be an over abundance of documents. Did you get to see the Bible that Donna had? I was not sure exactly what records Karen wanted. To get anything from her, I went over to her and just barged in with my PC. It did not seem that she was as willing to compare notes as she had indicated in her e-mail--that was alright with me.

It appeared that she is a document organizer which I need to do more frequently. She wanted hard copies of the death records that I sent via e-mail and I only had Mary Ann McQuerry's with me, because I only took the ADAMS book and not the BAKER book. I had to plug in my PC because the battery ran down.

I have several snap shots and am willing to send any you want. Many are repeats of the same people. Not sure how they will print out.
Later,
Bev

Subject: Re: Persi Index and DNA

Hello Karen,

Several years ago the Ft. Wayne Library (Allen Co.) took on the monumental task of extracting and indexing subjects and surnames from the many genealogical/historical journals/newsletters/ in their collection. For a time after it was completed, it was on the Allen County Public Library website. It was and is really neat to search for different family surnames. They continue to update the PERSI Index annually. One can find the Persi Index on **Heritage Quest Online** which is available through public libraries, and it is also available at **Ancestry.com**. Below is a more professional description of the PERSI as found on Heritage Quest Website.

If the Persi Index is available to you, try typing in a periodical name such as, "Genealogy Jottings" or specific place such as "Indiana" and type "Jackson" (under County) or specific subject such as "obituary" or "cemetery." Do you know the name of your local genealogical/historical society's newsletter? Try typing in that title. The articles can be ordered through the **Heritage Quest Online** website, but I do not know the cost. When the actual journal is available to you, you can read the complete article first hand.

PERSI™ - The PERiodical Source Index is a comprehensive subject index covering more than 6,500 genealogy and local history periodicals written in English and French (Canada) since 1800. PERSI™ provides the researcher the ability to search on surnames, locations, and methodologies as well as the ability to browse the journals by title and keyword. There are more than 1.6 million article citations currently available, with updates occurring annually. PERSI™ is produced in cooperation with the Allen County Public Library Foundation.

Try Cyndi's list for more info on DNA. WOW! If my recollection serves me correctly, genealogy DNA is rather expensive.

Hope that this helps to explain the PERSI Index and that it will provide some of you with a new avenue for genealogy research.

Keep on searchin'
Bev

Hi John,
Have been so tied up in packing, selling the house, buying the new one, and then moving. Wow. Don't think I ever want to do this again. One probably should move every few years so on does not collect so much STUFF. I thought this new house was a little larger than last, not that I needed bigger. However, all the hobbies I get involved in, think I do need bigger. Or at least more storage. I am an artist, do scrapbooking, genealogy, of course, and clown, play piano and sew. So each one of them has a lot of STUFF that goes with it. Especially clowning.
So neelless to say, I am tired, and have not had much time to do much of anything else. To top it off, I have to leave Monday early for CA to work the fair. Won't be back until about Aug. 3-4th. I have a lap top, unfortunately, can't use it because my internet is cable here at the house. Before when I was on aol, I could use the telephone in my motel room and write email. Oh well. Until I get back---------
Hadn't had a chance to send you an email since we got back. I don't think! Anyway, I was so thrilled you and Mary could come to the reunion. That was great. I couldn't take too much time to look at your books, however. I felt bad about that. But it had been two years since I had seen my nephews and nieces, and years and years since I had seen my favorite cousins--The Robertsons. I was so excited to see everyone. I was so glad we got a second day to visit. That was great. And then to have breakfast together the next morning too. The whole week was so packed with fun. Thanks for coming. I so enjoyed our visit.
anything you get, yes, we are interested in. Please forgive me if I don't remember who you are talking about. I have not had time to get into WHO BELONGS TO WHOM. The death certificates on Jim Baker, yes, that would be nice to have.
My new address is 8447 W. Desert Elm Lane Peoria, AZ 85383.
Have to go now. So much to do before Monday morning.
Love to you and Mary.
